Giving Back

The Logos Scholarship Fund's vision is to educate for Life and Eternity through **SPARC**, which is an acronym for Spiritual Maturity, Physical and psycho-social Maturity, Academic Excellence, Relational Intelligence and Community Impact.

In November, during their mid - term break, 10 scholars, 4 trainee Norwegians and the Logos team visited the New Hope Children's home. What a great opportunity it was to share the love of Christ with the children. The scholars engaged in Community service as their way of giving back.

New Hope Children's Home

New Hope Children's Home is located in Kawangware and was founded in 2010 by Everline Anjanja. One of her biological children got lost and was never found.

This experience created a deep innate desire in Everline to own a children's home for lost children whose parents cannot be traced. The home has 40 children aged 8 months - 26 years old.

Highlights of our visit included;

Cooking

Meet the day's cooking team as they prepare a special meal of chapati and beef stew for the children.

Playing

"Play is the work of the child"

Maria Montessori

Washing

Here is an opportunity for our scholars to serve as they learn on giving back to the community by cleaning the children's clothes and the entire home.

Christmas Gifts

The children enjoyed the gifts and sang some Christmas songs and this warmed our hearts to see them happy.

QUINTA AMBAYI

My name is Quinta Ambayi a form 1 student at Mbitini Girls High School. Helping out the children today was a great learning experience. Getting to know the children's struggles has taught me to appreciate the opportunity Logos has given me to study. I am inspired to work hard and always pray for others. I am grateful to the Logos team for giving me exposure on the art of giving back to my community. Thank you Logos!

Thank You

We thank our parents, scholars
and Mentors who made this visit
a success.
